

## PARCO TECNOLOGICO PADANO

**Parco  
Tecnologico  
Padano**

Camera di Commercio  
Lodi

**Parco Tecnologico Padano (PTP)** is a **Science and Technology Park** for the agri-food, bioeconomy and life sciences sectors.

In addition to research, PTP supports the creation of new companies through its **Business Accelerator, Alimenta**, and offers services to promote innovation.

PTP operates in synergy with the Faculties of Veterinary Medicine and Agricultural Sciences of the University of Milan, and public and private research organizations co-located in Lodi, creating **one of the main European Agri-Biotech Cluster**.

### 3 MONTHS OF OPPORTUNITIES

in a knowledge-driven community tailored for networking and business development @PTP Lodi Innovation Cluster.

### Ask for your free WELCOME PACKAGE

- Plug-and-Play temporary offices
- Business promotion
- Cutting-edge science
- IT support
- Congress hall and meeting rooms

PTP is a vibrant environment where young researchers, entrepreneurs and public institutions work together to promote, develop and support innovation and the settlement of new business ventures.

Since 2008, PTP has helped its 26 start-ups to collect 20 million Euros in risk capital and 28 million Euros in scientific research projects.

PTP is also leading CAT.AL., the Lombardy Region Cluster that gathers more than 500 Hi-Tech Agri-Food companies.
